## **Per Customer Pricebook version 2**

Requires: Moneyworks v7

### What it does

This Moneyworks script allows you to record and use a set of prices for each product for each of your customers. Prices can include price breaks for different quantities.

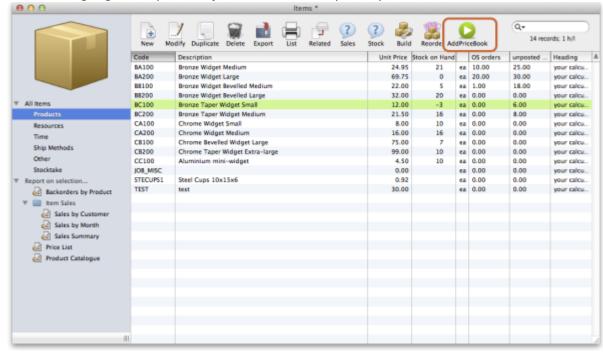

#### Installation

Double-click the script supplied by Sustainable Solutions. That's it. For viewing prices, you need to install the pricebook report we will supply you into the **reports** folder inside your **Moneyworks Custom Plug-ins** folder

### Setting prices for a product

1. Show the product list by choosing **Show > Products** 

2. Locate then highlight the product you wish to set a special price for

- 4. Click the **Pricebook** button in the toolbar
- 5. If the values are blank, you're adding a new product/customer combination. If values are already filled in, you're editing:

	Script
	New entry for customer:
	WHITE, product: BC100
	Special price: 3.45
	Qty Break1: 10
	Price Break1: 3.40
	Qty Break2: 30
	Price Break2: 3.10
	Qty Break3: 100
	Price Break3: 3.00
	Qty Break4:
	Price Break4:
	Expiry Date: 03/01/2016
	Cancel OK
6.	Pricebook Script by Sustainable Solutions http://sussol.net

- 1. You only have to fill in a price. Other fields are optional
- 2. If there is no expiry date for the special prices, leave the field blank.

# **Viewing prices**

2.

1. To view prices, choose **Pricebook Report** from the reports menu:
